

MICK WARD - DRIVER REPRESENTATIVE AND EQUALITY AND DIVERSITY OFFICER

Injured as a result of a diving accident in 2005, Mick was first introduced to carriage driving by the Springbridge Carriage Driving group where he developed his love of driving. Later inspired by fellow para drivers at the CDSG-dd training Clinic at the Unicorn Trust, Mick was determined to take competitive driving further, hasn't looked back and a great advocate and inspiration for others.

As a grade 2 para driver Mick has represented Great Britain in 3 World Championships and has 2 bronze team and one individual bronze medal. With this behind him he will once again be representing Great Britain in the 2023 World Championships taking place in Holland in August 2023. He is currently driving Douglas a 15.2 Welsh x Hackney and a 14.2 Welsh C (owned by Mr and Mrs Masters) and feels blessed to have such great horses

Mick regularly trains with GB POD Training Group and competes all over the country.

Mick is also CGSD-dd's Equality and Diversity Officer and his driving journey and experience makes him well placed to represent drivers.
